Record Holder: School

Address: Remington College  
Corporate Office  
500 International Parkway  
Suite 200  
Heathrow, FL 32746

**Closure Date:** 09/30/2009

Notes: The closure of the Largo site was first reported on the school's recent electronic application for recertification. As a result, the closure was verified and entered in PEPS. The last date of instruction at the Largo Campus was on September 30, 2009 - the date the lease agreement for the Campus facility expired. The academic records are being maintained at the school's corporate office in Heathrow, Florida.

Student Arrangements: A school official confirmed that six students, with an expected graduation date of October 15, 2009, agreed to complete the last two weeks of their final quarter in the Criminal Justice Associate's degree program at the Pinellas County Jewish Day School (PCJDS), which granted permission for temporary use of their facility. The PCJDS facility is located in Clearwater, Florida, and approximately 4 miles away from the Largo Campus. The final quarter began on July 27, 2009 and was scheduled to end on October 15, 2009. These six students attended class as scheduled at the Largo Campus facility through September 30, 2009 and then attended PCJDS from October 1 through October 15, 2009.

The faculty and staff of the Largo campus were physically present at the PCJDS facility during the two-week period.

There were also six other residential students with more than one quarter remaining in their Criminal Justice Associate's degree program who had a planned graduation date of January 14, 2010. These students agreed to complete the last two weeks of the quarter ending on October 15, 2009 at the PCJDS location and then transfer to the Remington College Campus in Tampa, Florida.

Although Remington College did not notify the U.S. Department of Education concerning the temporary use of the PCJDS facility, which is not an eligible location, the school did provide advance notification of their closure plan to the Accrediting Commission of Career Schools and Colleges of Technology and the Florida Commission for Independent Education. A school official confirmed that no Title IV aid funds were disbursed/posted to any students accounts while attending PCJDS. All Title IV aid funds were disbursed/posted to students accounts while enrolled and attending the physical location in Largo and were fully earned for the July quarter that ended in October.

There were two students enrolled in distance education programs at the Largo Campus that transferred to the Tampa Campus.
